comments on NIS [REDACTED]

36

25X1

1. The subject comments have been briefly reviewed by OBI and appropriately passed to the NIS Committee member representing the Air Force, which has the production responsibility for NIS Section 37 (Civil Air).

2. It will be Air Force's responsibility to process these comments and insure their consideration when Air Force schedules Maintenance production of the subject section [REDACTED]

25X1

3. The Office of Basic Intelligence consistently emphasizes the value of field comments on published NIS, and is appreciative of the active interest [REDACTED] in this instance. I trust it will be possible to [REDACTED] considered an important type of contribution to the NIS program and are correspondingly appreciated.
